336th Training Squadron

Detachment 2

Detachment 2, 336 Training Squadron at Ft Meade, Md. is assigned to Air Education and Training Command (AETC), and is responsible to the 81st Training Wing at Keesler AFB, Miss. for the military training and administrative support of Air Force students attending the Defense Information School (DINFOS).

Det 2's primary mission focus is on the non-prior service/pipeline students from basic training. The Air Force's newest Airmen continue to develop their Airmanship while attending technical training and earning their AF specialty code (AFSC). This includes: required military and ancillary training, administration of recycle and reclassification actions, non-judicial punishments and other discipline, initial/follow-on assignments, orders, finance, promotions, travel, safety, and more.

The detachment facilitates TDY students attending other DINFOS courses. Most TDY students are self-sufficient, however Det 2 is responsible for administrative issues including accountability, safety, discipline, and more.

The detachment has the visibility of several interested parties and commanders, including SAF/PA, AETC/CC, HQ AFPC/PA, and 81st Training Wing. Det 2 completes the mission with the cooperation of several mission Partners: DINFOS, Fort Meade Garrison, 70 ISRW, JB Andrews, Bethesda, Keesler AFB, and others.
