DMS & Appointments

- If you need to attend an appointment during class hours, the first person you should be informing is the DET Staff. They will grant approval to attend your appointment or deny it and request you reschedule it. You must have their approval to leave your class.
- Students will ask instructors for advisement on potential impact of appointment. However, approval remains with the Air Force Detachment. Please inform the detachment commander support staff (CSS) at least 24 hours before your appointment begins. If you can inform us earlier than that, that will also work.
- Please provide CSS the following information so they can put you in DMS.

Name, Class, Apt Location, Reason (*only a generic reason, no details of why against 'HIPPA'*) Date & Time of the Appointment

PART IV. OTHER INFORMATION (Local information, group briefings, etc.)				
First steps for travel coordination require approval of an ETP from DINFOS through your course's department, and will be conducted in accordance with the current DINFOS guidance.				
For all AF Prior Service Students: Local area is defined as a 250-mile radius from Fort Meade, MD, however anything beyond a 100-mile radius still requires a 4392. Leave outside of the 250-mile radius requires approval through an instructor and LeaveWeb/ATAAPS/AF988 through home station, and must occur prior to Detachment Coordination. Provide a copy of the authorized leave to the Detachment CSS. Authorized leave beyond 250 miles does not require a 4392.				
In order to continue combating COVID-19 concerns, members are required to remain in compliance with all local, state, and federal mask guidance.				
Any safety mishaps must be reported to Detachment immediately to complete reporting procedures and requirements. Contact the Commander's Duty Cell in the event of a mishap or hospitalization. Any delays to return travel that will inhibit your return to class must be reported to your instructor immediately, followed by notification to the Commander.

Retraining into Public Affairs

- 1. If you are Active-Duty retraining into Public Affairs (3N0X6) and you have orders to our squadron, then please inform the Detachment Commander Support Staff (CSS), and they will ensure you receive a in-processing checklist to ensure you are efficiently and swiftly processed into the Detachment.**
 - 2. We will be the ones to also ensure you receive an assignment to your next duty station after you graduate from Technical Training. If you have dependents that you plan to move, please plan for it in advance; so that way, you can leave on time after your graduation.**
- If you are Air Guard or Reserve and you are retraining, you are still technically with your unit on TDY, therefore, you only need to complete the usual Prior Service in-processing, as you do not have PCS orders to the Detachment.**
